DISCUSSION:

Michael Dugan reported that Highway needs new signs ordered to help keep trucks out of town. Michael also commented regarding the Aero Aggregate's material leaking out of their property going thru town into our storm drains.

Councilman Sigda is concerned with the Aero material getting in the drains and possibly causing irritation to residents skin from the water backed up in their basements.

Mandy Hall suggested normal delivery trucks be permitted to go in town and all others must use 291 to enter Penn Terminals to help keep tractor trailers out of town.

Jesse Coulter reported that he has video of the materials floating down the street on a sunny day with no rain. Jesse also commented that he would help volunteer to make sure residents have fire extinguishers and smoke detectors.

Mayor Reeves requested additional signage on all streets coming from Chester Pike to help ensure the truck drivers can see No Trucks except local deliveries. Signs are faded and need to be refreshed. Mayor Reeves also stated this at the July 2021 meeting which was not mentioned in the minutes and this is now noted for both July 2021 and August 2021 Council Meeting minutes.

Councilwoman Reeves requests the Fire Department/EMS report provides all information as to calls responded to and calls unable to be responded to, advises to contact Delcom if needed. Councilwoman Reeves also requested Catania to report properties that fail inspection be reported as well as when the property is re-inspected and approved.

Mayor Reeves granted permission to Police Chief Mokshefsky to start the interview process for a new full time police officer.
