UPCOMING PUBLIC MEETINGS/EVENTS:

12/13/2021 6 PM Council Executive Session

12/13/2021 7 PM Council Regular Meeting

John Bush Transportation Engineer from McCormick Taylor following up with the 4th Street Bridge info as Delaware County needs to know if Eddystone Borough would like to know if the Borough would like to re-open the bridge, demolish or transfer ownership as PennDot sees there is no activity on the bridge. Resident Bill Bolton commented that the blocks that are currently there are not Eddystone's, they were placed there by a roofer. Contractor Nick Cocco offered to remove the blocks free of charge to help. Mayor Reeves mentioned the City of Chester vacated the bridge. John Bush will now look further into this and send follow up information.

Legal representative Timothy Sullivan on behalf of Gary Cocco came to Council due to Cocco's property located at 201 Saville in regards to the curb cuts. Engineer Lisa Catania reminded Mr. Sullivan that professionally it should be solicitor to solicitor not solicitor to Council. President Stewart asked if there were 2 or 3 curb cuts in question, Mr. Sullivan asked for email to confirm the discussed matter.
