

BOROUGH OF EDDYSTONE
BOROUGH COUNCIL WORKSHOP MINUTES

February 6, 2023

7:00 P.M.

The Borough of Eddystone Borough Council held the meeting on the above date with the following members present: Council Vice President Mandy Hall, Council members William Bolton, Nick Jones and Randy Perry. Eddystone Borough Solicitor Tim Possenti along with Engineer Lisa Catania were also present. Beth Gross & Mayor Yannuzzi absent President Walker along with Councilman Mike Bannon joined by zoom.

Vice President Hall called the meeting to order followed by Roll Call.

UPCOMING PUBLIC MEETINGS/EVENTS:

2/13/2023 @ 6:00 PM -- Council Executive Session

2/13/2023 @ 7:00 PM – Council Regular Meeting

Announcements

Vice President Hall reminded all about the upcoming Borough & Police move to the temporary location at Lighthouse Hall and noted no change of address and phone lines will all remain the same. Letters will be distributed to all residents and businesses this week.

PUBLIC COMMENT

Michael Dugan questioned if Dunkin was still coming on 291 and if it was possible to widen 291 and Saville for the heavy tractor trailer traffic.

Nick Decocco from 907 Eddystone Ave suggested new signage for the large trucks driving on Eddystone Ave to help prevent them from driving down from Chester Pike/Bullens Lane. Nick believes the signage now with "local deliveries only" does not do the job.

COMMITTEE REPORTS

Engineer Lisa Catania updated with the list of ongoing grants along with new information for new grants as well. Lisa also reminded all that she had requested CDBG grant extensions for the 21 & 22 grants due to Borough Hall renovations and the temporary use of LHH for both Boro and EPD.

Lisa suggested council provide a list of priorities for projects along with contacting DCED requesting a tour of the community with future goals, studies and programs to discuss on the visit.

Soliciotr Possenti updated all on the regarding Liberty Electric, Walmart and Alliance stipulations.

ADJOURNMENT:

Motion made by Bill Bolton, 2nd by Nick Jones. Motion carries 4-0
